Headteacher: Mrs. Shirley Nicholas-Bond

Head of School: Mr. Peter Watts

Director of Teaching and Learning: Mrs Rosie Earle

12 July 2016

Dear Parents

We have previously advertised this information in our newsletter but would like to highlight this information once again to all parents:-

## **CHILDREN WITH LEGUME, SESAME AND NUT ALLERGIES**

In September, we have a child with a **severe** allergy to **all** legume and sesame products. **We still also have a number of children with nut allergies, requiring epipens.** As the allergy can be triggered from indirect contact i.e. touching areas where the products have been, we would politely request that with immediate effect the following food items are **NOT** brought in to school **at any time**:-

**NO** foods containing **peas and beans including the following**:- broad beans, lentils, chickpeas, French beans, butter beans, haricot beans, kidney beans, sugar snap peas, pulses, soybeans, soya, nuts and sesame etc. (These are the most common in the legume family, but all legume foods are not permitted).

We trust you will support the school to ensure that it is a safe environment for all and thank you in advance for your co-operation to be an 'allergy free' school.

Yours sincerely

Mrs S Nicholas-Bond  
Headteacher
