Dear Parents

6<sup>th</sup> March 2018

## Life Bus Visit 2018

We will be receiving our annual visit from the Life Education Mobile Classroom this week.

Life Education is a charity providing health and drug prevention education support to schools. The specially equipped classroom provides an unforgettable experience for the children whilst contributing to our Personal, Social, Health and Citizenship curriculum. The fun, interactive and **age-appropriate** programmes help children to understand the **wonders of the human body** and how to look after it.

- In **Foundation Stage** and **Key Stage 1** (*Nursery to Year 2*), they learn about **keeping their bodies healthy, feelings**, being a **good friend** and the **safe use of medicines**.
- At **Key Stage 2** (*Years 3 to 6*), the experienced and specially trained Educators help children to consider the effects and risks associated with the use of drugs, including **medicines, alcohol** and **tobacco**. In addition, children learn about **choices** that can affect health and well-being, skills of **friendship** and how to cope with **bullying** and **peer pressure**.

We would like to invite you to visit the Life Education Mobile Classroom on **Thursday 8<sup>th</sup> March at 2:45pm** to find out more about what the children will be experiencing. The session will last 30 minutes and will start promptly.

**Workbooks at £2 each** (one for each age group), which can be used at home to support your child's learning, are available during the session. Also available are limited edition **Harold Zip Tags at £1 each**. Children love to use these on coats, school bags and pencil cases, and they are also great for party bags and seasonal gifts. If you are unable to attend the Parent/Carer Session but would like to purchase either workbooks or zip tags please complete the order form below and return to the school office **before** the visit together with the correct payment in cash.

Yours sincerely

Rosie Tebbutt  
Operational Head of School
