Headteacher: Mrs. Shirley Nicholas-Bond

Director of Teaching and Learning: Mrs. Rosie Earle

Head of School: Miss. Rosie Tebbutt

23rd February 2018

Dear Parents

We have been advised that there are two cases of confirmed scarlet fever, one at the Junior school and the other at the Infant school. Because this is an infectious disease caused by the spread of respiratory droplets we have been asked by Public Health England to write to all parents to make you aware of the symptoms and to pass on advice on how to reduce the risk of your child contracting it.

We have also listed some key good hygiene practices that should be followed:-

- Wash hands often, before and after school and at meal times
- Good hand hygiene after blowing nose and dispose of tissues in a bin
- Any open scratches/wounds should be covered

Please find attached a letter from Public Health England with further information and links to frequently asked questions and advice from NHS.

Yours sincerely

A handwritten signature in black ink, appearing to read 'S Kinsella'.

Mrs S Kinsella
