Dear Parents

## **RE: Year 5 – Healthy Snack Design Technology Project**

Year 5 have been researching and designing a healthy snack as part of a design technology project. They will be spending some of next week calculating costs, producing and advertising the product with the hope of making a profit.

On Friday 11<sup>th</sup> May the children will hold a sale of these products. Please support Year 5's effort with their project by sending your child in with a small amount of change so that they can enjoy a tasty and nutritious snack on Friday 11<sup>th</sup> May at break time. These healthy snacks will be fruit based and in the range of 20p – 50p.

**Please note that the kitchen tuck shop will be closed for this day.**

Many thanks in advance to all of our potential customers.

Yours sincerely

Mr S Wakeford  
Teaching and Learning Leader for Upper School
