26th April 2017

Dear Parents,

Year 3 DT Project – Making a Healthy Salad

I hope you had an enjoyable Easter break and managed to find some time to relax and enjoy some family time.

The summer term is finally here and we have planned many great learning opportunities for the children in Year 3. In science, we will be studying Healthy Living and part of this module will include looking at diet and what constitutes a healthy, balanced meal. Our DT project this term is based on food preparation and therefore the children will be planning, making and evaluating a healthy salad. This will include the children using kitchen utensils such as knives and graters so we hope they will enjoy this and bring some skills home to help you out in the kitchen!

On Wednesday 24th May, Year 3 will be undertaking the practical element of their DT project and I would like to invite you or a family member to join us for this. Together with your child you will make and eat their planned healthy salad. If you are able to attend, we ask that one parent/guardian returns the attached slip by Friday 19th May. Each class will have an allocated time slot to use the DT equipment and this would be the time we ask parents to join us. The schedule is as follows:-

1:00 – 1:45 Castle Class

1:45 – 2:30 Denzil Class

2:30 – 3:15 Grange Class

I hope you will be able to join us for this exciting opportunity. Thank you for your continued support with your child's education.

Yours sincerely

Mrs L Exell

Lower School Teaching & Learning Leader

Year 3 DT Project – Making a Healthy Salad
