Dear Parents

LINK Session - Year 3 Learning and Interactive Night of Knowledge

Following the success of last year's Make it Count Session, we are pleased to inform you that we will be holding another informative session on Thursday 6th October 2016 at 7pm. The session will be around half an hour with some time for questions at the end.

We would like parents and carers to attend in order to inform you of our calculation methods and to give you some helpful hints on how to assist your child's learning at home. We will also update you on how we teach spellings at Netley Abbey Junior School and provide you with some very useful grammar terminology. All teachers will be on hand to provide further detail of how maths and English are taught in your child's class.

Please complete the slip below by Wednesday 5th October 2016 to advise us of your attendance so we can provide tea, coffee and biscuits.

Yours sincerely

Mrs L Exell
Lower School Teaching and Learning Leader
