Dear Parents

YEAR 3 - HOMEWORK

As your child has now joined the Junior School, we wanted to write to you to outline the expectations of homework for the year.

Spelling Homework

We will use the spelling scheme across the whole school (No Nonsense Spelling), which means that all children in year 3 will receive the spellings for the same spelling pattern; this will be in the form of two or three sentences where they have to learn all the words. Some children will receive 5 high frequency words.

Times Tables

Please continually practise your child's times tables with them over the year. For the autumn term we will be focussing on times table homework for maths. Times table practise sheets and games are widely available on the internet. Topmarks maths is a good starting point: <http://www.topmarks.co.uk/maths-games/7-11-years/times-tables>. May we remind you of the government expectation that children should know all times tables up to x 12 by the end of year 4. With this in mind, it is important children consolidate their learning regularly at home in order to meet age related expectations.

Topic Homework

Later in the year your child will also receive topic homework (Autumn 2). At this point we will send further details of expectations regarding this. For the moment we want to ensure the children have the best start possible to year 3 and the routines of homework become embedded.

Homework will be given out on a **Friday** and due back in on the following **Wednesday**. Spelling tests will take place on a Friday.

Thank you for your continued support with your child's homework. If you do have any queries please do not hesitate to speak to one of us directly.

Yours sincerely
