Your LOCAL School Uniform Supplier - Covid-19 Changes

We are pleased to have once again been appointed as stockist of your school's uniform.

Being local it is normally easy to just pop in with your child, try on the uniform and take it home.

However due to the current Covid-19 trading restrictions we will need to deal with the

Summer "Back to School" trade differently this year. With reductions in the number of people allowed in the shop at any one time, no trying on allowed and possible supply chain difficulties later on we are encouraging parents to order as early as possible online from our website this year.

Please visit www.wearabouts.co.uk (click on the "Children" tab in the menu)

As an incentive we are offering FREE delivery on all orders placed before 10th August, - or Click & Collect if you prefer - and the time to exchange wrong sizes will be extended right up to the end of August irrespective of purchase date.

Some people may be unable or unwilling to place orders online. As an alternative they can also order using the form below. Only items specific to your school are shown but plain items – trousers, skirts, shirts, blouses etc. – can also be added on the reverse, please see the website for details/prices.

Please return the form with payment to Wearabouts (not the school)

NamePhone.....

Address for delivery.....
