

Come one, come all* to the very first.....

Virtual Netley Abbey's Sports Day!

* Please remember to social distance and only go to the park with people from your own home.

Sports Day is one of the great events in our school calendar and in the middle of National School Sports Week! We couldn't let a little thing like a global pandemic stop us celebrating together. However, we do have to be safe and responsible, so this year we are going online!

Challenges will be available on Seesaw from 4pm Friday 19th June. Make sure to post your photos and videos (max. 1 per activity please) on Seesaw by 12pm on Friday 26th June to earn points for your house.

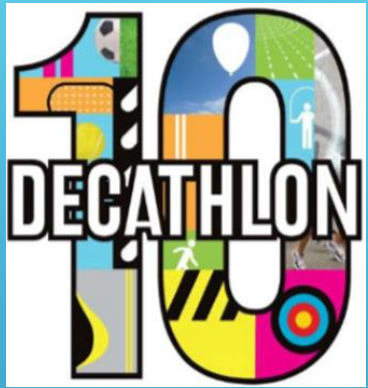

Choose up to 10 challenges to make your own Decathlon event, it's up to you! Good luck!

Each completed challenge will earn you 5 house points.

For every activity that you photograph/video yourself doing (and send to Seesaw) you will be awarded 5 points for your house. **Please make sure you let your teacher know if we can use your photos or videos in a film we will put together to celebrate this event.**

Mrs Kenway

Welcome to our Virtual Sports Day 2020

Netley Abbey Junior School

If you can wear something that's your house colour whilst completing your challenges next week great. If not, please don't worry, it's the taking part that counts.

However, any inappropriate slogans/words/images etc on clothing will mean we cannot use your images in our celebration video.

We hope you have fun with our challenges and enjoy taking part with those in your household.

Please remember that pupils can get house points by sending in a photo (or video) of them doing a challenge. The more challenges you show us you've tried, the more house points you will get and the higher the award you will achieve!

'Every little helps' so even if you are only able to send in one activity, it is still worth taking part.

Certificates will be put onto Seesaw by the end of Friday 3rd July. There will be 4 levels of participation:

Bronze – 1 Challenge posted on Seesaw

Silver – Between 2-7 challenges posted on Seesaw

Gold – Between 8 -10 challenges posted on Seesaw

Sports Award – 11 or more challenges posted on Seesaw (Max 14)
