Further measures for the morning routine

Dear Parents/Carers,

It was lovely to see so many smiling faces this morning, the children have had a brilliant day and are settling into the new routines at school.

We would like to take this opportunity to remind parents of the importance of social distancing both before and after school. Whilst we have taken many steps to ensure that children arrive at staggered times, we would like to take further measures to aid the morning routine:

- Grange road gate (opposite the pub) will now be open in the morning for arrival of Junior year groups only. This will mean that there are two points of access to the school.
- **This week only**- Year 3 parents who are dropping off siblings and therefore arriving before 9:10 can wait on the playground near their child's class teacher until the starting time.
- Queue at a distance along the path if the entry is busy, this will speed up the school arrival and also ensure social distancing for staff.
- Do not arrive early or late for your time slot to ease congestion (unless this is due to dropping off siblings).
- We would like to ask that children are accompanied by **one adult** only. We would also suggest that adults wear face coverings whilst waiting unless you are able to keep a 2m distance from other families and staff.
- Once your child has arrived at school, please leave the school area as soon as possible to allow space for the next group.

In order for our school to remain operating, we must work together to help keep our school safe,

Yours faithfully,

A blue ink handwritten signature, appearing to read 'S. Nicholas-Bond', written over a light blue horizontal line.

Mrs Shirley Nicholas-Bond
Headteacher
